Let us build you a \$200/Day Affiliate Business in 3 wee...

Yes that's right!

We build you this \$200/Day Affiliate Business in just 3 weeks from the day you enrolled.

Personally I've struggled for 15 years without making a penny online.

In fact, it became a nightmare for me when I started out in this business.

I jumped from one product to another.

From one method to another one, almost over night.

It was horrible!

No matter what I bought or found on the internet, nothing seemed to work for me!

If someone would have made me this offer like you're having in front of you, I would have taken it without even thinking about it.

This offer is for you if you can relate to my story - if you are sick and tired - then this is for you.

Just to recall the important facts:

The regular price for this Affiliate \$200/Day DFY Business is usually \$9997.

But for a small group of people, we've **blocked out** 40 early bird spots for this very special offer.

The early bird price for this very unique DFY offer is \$997 for those happy 40 people.

BUT...21 spots are already taken, so if you want in...

Question:

- How exactly do you build that \$200/Day Affiliate Income Stream?

Answer:

- It's pretty simple. We are going to build you guys a list which we lead straight into a sales funnel incl. products.

That means, at the end of the 3 months you will have a \$200/Day cash funnel, a profitable email list and a \$200+/Day Affiliate Marketing Business that runs 24/7.

All you need to do is to feed the traffic campaign. Don't worry, I show you how that works
(It turns \$1 in advertising in \$8+ at least)

Question:

- Are there any hidden fees during the 3 months?

Answer:

- No! This is a complete DFY Affiliate \$200/Day offer that covers all expenses with the program fee. No hidden fees! No ad fees!

Question:

- What is the difference between your CPA Coaching and this Affiliate Coaching offer?

Answer:

- The CPA Coaching teaches you how to set up CPA campaigns. The Affiliate Coaching teaches you how to set up campaigns like we create for you.

Question:

- Do you create 1 campaign and then sell it to all customers?

Answer:

- No. Every customer gets 1 unique campaign that's created based on what the customer and I will discuss after he enrolled. Every campaign is unique.

You can either pay via one time payment or via split pay of 3 payments of each \$397 every 30 days.

Answer:

- Yes. We do everything humanly possible to get you to \$200/Day in 3 weeks! In fact, we're going to optimize your Affiliate Campaign so you can experience financial & time freedom all day long while money is flooding your account.

Question (For those who enrolled to the CPA DFY before)

Will I still go ahead with the CPA DFY \$100/Day Offer if i go for the \$200 business model? And i get the coaching as well? so with both models am i looking at about \$300 per day ??

Answer:

- Yes! Your CPA DFY offer will still go ahead and we're be going to build you this \$200/Day Affiliate Campaign too - in additional to the \$100/Day CPA Campaign.

- Yes! If you enroll to this Affiliate DFY offer too, I'm going to throw in the 1-on-1 Affiliate Coaching on top of it too, as some sort of a special bonus (The Regular Price for it is \$297 - yours free).

- Yes. In addition to the CPA DFY offer + this Affiliate DFY Offer we're going to build you in total a \$300/Day Income Stream!

Question:

- How is this Affiliate DFY different to the CPA DFY?

Answer:

- This Done-for-you Business is all about Affiliate Marketing. In fact, we're going to build you a list of customers too, in addition to the money we're going to generate through the

campaign too.

Question:

- What traffic source do you use for this DFY offer?

Answer:

- We are going to use Facebook only because it's the best platform when it comes to targeting and getting dirt cheap targeted traffic.

Question:

- In case you are using Facebook Traffic, I have the problem that my account got suspended. Can I still use this traffic source or isn't that for me in this case?

Answer:

- Don't worry. I am going to show you how to get a new account that won't get blocked or suspended anymore (*...99% of people don't know about that simple Facebook Hack*).

You can either pay via one time payment or via split pay of 3 payments of each \$397 every 30 days.

Answer:

- We are going to build the Sales Funnel, the products and the Email Follow up series for you, also we're going to set up and split test the Facebook Campaign.

For all these tasks we need around 3 weeks, but then everything is ready to make you \$200+/Day.

Question:

- What niche and what network do you use?

Answer:

- We're choosing the offer and the niche based on our experience in the marketplace. Regarding the network is something that can be discussed.

Question:

- What kind of traffic do you use?

Answer:

- We use paid traffic only because free traffic is not scalable. The traffic source we're going to use is Facebook Ads.

- Yes! This offer is backed up by our triple your investment back policy for 3 months in total.

Question:

- Does this DFY offer contain Coaching too?

Answer:

- No! This is a DFY solution where we do the heavy lifting for you. But I will teach you how to scale up. If you'd like to get a 1-on-1 coaching too, you can enroll [HERE for \\$297](#).

One of their messages I'd like to share with you in this mail.

Jenny send me a mail that goes like this:

"Hi Allen, thank you for this offer. To be honest, I was very skeptically regarding this offer, because it isn't that cheap.

And I got scammed so many times.

I stopped counting. Anyhow, the reason I've enrolled to your program though is that I've talked to a few other people.

They told me that you are legit and not a scam artist like so many others use to.

Your investment back policy also got me hooked to enroll to this offer too.

What I also like about your offer is, that you and your team drive the traffic for 3 months in total without having me to spend a dollar in ads.

I have never seen such an incredible offer + that kind of guarantee since I'm buying IM products.

Thank you for giving me this opportunity to get my \$200 per day biz up and running in a few weeks from now".

Question (For those who enrolled to the CPA DFY before)

Will I still go ahead with the CPA DFY \$100/Day Offer if i go for the \$200 business model? And i get the coaching as well? so with both models am i looking at about \$300 per day ??

Answer:

- Yes! Your CPA DFY offer will still go ahead and we're be going to build you this \$200/Day Affiliate Campaign too - in additional to the \$100/Day CPA Campaign.

- Yes! If you enroll to this Affiliate DFY offer too, I'm going to throw in the 1-on-1 Affiliate Coaching on top of it too, as some sort of a special bonus (The Regular Price for it is \$297 - yours free).

- Yes. In addition to the CPA DFY offer + this Affiliate DFY Offer we're going to build you in total a \$300/Day Income Stream!

Question:

- How is this Affiliate DFY different to the CPA DFY?

Answer:

- This Done-for-you Business is all about Affiliate Marketing. In fact, we're going to build you a list of customers too, in addition to the money we're going to generate through the campaign too.

Question:

- How is this Affiliate DFY different to the CPA DFY?

Answer:

- This Done-for-you Business is all about Affiliate Marketing. In fact, we're going to build you a list of customers too, in addition to the money we're going to generate through the campaign too.

Question:

- What traffic source do you use for this DFY offer?

Answer:

- We are going to use Facebook only because it's the best platform when it comes to targeting and getting dirt cheap targeted traffic.

Question:

- In case you are using Facebook Traffic, I have the problem that my account got suspended. Can I still use this traffic source or isn't that for me in this case?

Answer:

- Don't worry. I am going to show you how to get a new account that won't get blocked or suspended anymore (...99% of people don't know about that simple Facebook Hack).

Question:

- How long does it take to see the first payments coming into your account?

Answer:

- We need around 2-3 weeks for testing and tweaking the campaign. Then you will see at least \$100/Day. And after 6-7 weeks you will make \$200/Day easily.

Question:

- What niche and what network do you use?

Answer:

- We're choosing the offer and the niche based on our experience in the marketplace. Regarding the network is something that can be discussed.

Question:

- What kind of traffic do you use?

Answer:

- We use paid traffic only because free traffic is not scalable. The traffic source we're going to use is Facebook Ads.

Question:

- Do you have a guarantee on this?

Answer:

- Yes! We have a triple your investment back policy for 3 months.

Question:

- What happens after the 3 months?

Answer:

- I will show you how to feed the campaign with money so you can scale your income up.

You can either pay via one time payment or via split pay of 3 payments of each \$397 every 30 days.

Question:

- Does this DFY offer contain Coaching too?

Answer:

- No! This is a DFY solution where we do the heavy lifting for you. But I will teach you how to scale up.

If you'd like to get a 1-on-1 coaching too, you can enroll [HERE for \\$297](#).

Question:

- Do you build me a list of customers?

Answer:

- Yes we do! We are going to build you a list AND we're going to lead them straight into the sales funnel we're going to set up for you. All products in the funnel will be created by my staff and you can expect to make \$64+ per visitor who comes into your funnel.

In other words, you only need 3,5 visitors per day and you make on average \$200+/Day.

Question:

- Do I have to spend money for advertising?

Answer:

- NO! You don't. We drive the traffic during the first 3 months for you.

Question:

- What do you need from me to make this offer working?

Answer:

- All we need from you are your Autoresponder Log in details and the log in details for your domain and hosting so we can set up and upload all Follow up emails and the funnel to your hosting too.

Question:

- Is this Offer really Hands Free?

Answer:

- Yes. We build the funnel incl. all products for every early bird customer individually PLUS we set up your autoresponder, we upload the entire funnel to your domain PLUS we drive the traffic for 3 months to this funnel.

Hi joe,

No problem.

We are already running campaigns like the one we're going to set up for you in our business.

The one time payment and the split pay price are early bird prices, when the timer hits zero on the checkout page this offer is off, it'll be 9997 which is the regular price.

Let me know if you want in cause we're almost filled

Hi Allen

Thanks for your reply.

I have one additional question for you.

If you can set these systems up so easily that make \$200 per day, surely it is a disadvantage for you to sell them. Would it not be more advantageous for you to operate them yourself?

Best Regards

Joe

Re: Questions on \$200/Day Affiliate Business

First of all, the 6x 197 is not the kind of version you paid for, it's a light version.

Second, I will get in touch with all customers when the campaign is over

On Thursday, 28 July 2016, Joe wrote:

Hi Allen

In one of your emails you mentioned that you get together with each customer to discuss the details of what you are setting up for them. When will this happen or has the building of the business already started?

I noticed that you now have a 6 payment option that didn't exist when I ordered. Is there any way to convert the two payments remaining of my 3 payment option to 4 payments of \$197 each?

Just a quick reminder + a Special Bonus [Value \$2997] which I wanna announce below...

Keep reading...

I get it.

Bills. Kids. Food.

So I had an idea. What if I the payment would be more affordable?

The cheapest way to get into my DFY offer were 6 payments each \$197. I wanted to give an option for making it easier for those of you.

Therefore I've adjusted the price a bit.

The price for the DFY \$200/Day Business is \$497. You can pay either one time or 3 payments each \$297 every 30 days.

[Get in HERE >](#)

NOTE: On each checkout page you will find 2 new testimonials of some of my recent students/clients.

The first one is Liming Wu who made over \$6,600. The other one is Andre who made over \$81K since January 2016 after joining my DFY Affiliate Package for \$997.

If you want the same results like Andre, get the \$997 one time payment and I throw the coaching in for free.

You can get the Full Version of the DFY \$200/Day like Andre, Liming, Andrea, Jenny and so many others enrolled to, [HERE >>>](#)

BUT...

If you take the Full Payment, I am going to throw in my "6-Figure In 4 Months Blueprint [Value \$2997]" on top of it for Free.

This Blueprint took me from 15 years of struggling to a 6-Figure Earner per month in just a 4 month period of time.

Take the Full Payment [HERE](#) + the 6-Figure Blueprint

The price for the 1-on-1 coaching is \$197.

Get it [HERE](#).

Let me give you quick run down what this DFY Light Version covers:

1. You'll get us to build a funnel incl. products and all the technical set up
2. We set up the campaign for you on Facebook so it turns \$1 into \$8 at least
3. I will show you how to feed this campaign with money so it becomes very profitable for you
4. The 1-on-1 coaching contains 2 weeks of 1-on-1 support from me
5. We drive traffic to your campaign for 4 Weeks (Aka no ad costs for you, we pay for the traffic 4 weeks in total)
6. We optimize your campaign so it turns \$1 into \$8 easily

The only difference between the Light and the Full DFY Version is the fact that we drive only 1 month traffic to the campaign - not 3 months in total.

If you want to have us drive 3 months the traffic to the campaign, you need to enroll to the \$997 version.

This is an update mail about the progress in regards of the CPA Done-for-you business you've enrolled to.

We are almost done with the campaign optimization, meaning just a few days and everything's ready to rock'n roll.

In regards of the Affiliate Done-for-you business...

In regards of the coaching you've enrolled to - whether it's the CPA or the Affiliate coaching, this kinda coaching starts AFTER the 3 months.
(We'll start a few days before they're over)

Anything else wouldn't make sense.
(Also scheduling a call doesn't make sense until the 3 months are over)
